A Century of Prestige

St. Mary's School is a century-old famous school founded in 1865. It is NO.1 Best Catholic High School in Oregon in 2020 and the first Confucius Classroom granted by HANBAN in North America.

Recognized by Cognia, the world well-known school certification body

Cognia is an international accrediting agency which uses research-based standards to review school performance, ensuring all schools accredited by the agency offer the highest quality of education with the most cutting-edge approaches.

STEM Strengths

The two robot teams (C4 and TNT) of the St. Mary's School both entered the world-class robot championship the Pioneer Technology Challenge (FIRST). This is the only school on the West Coast of the United States that has two teams selected.

Overall Niche Grade A+

Niche independently collects, analyzes, and summarizes data to lend insight into our overall performance as an institution. We have consistently earned an A+ rating over the years, earning a ranking of #1 Best Catholic High Schools, #2 Best Boarding School, and #3 Best Private school out of 100,000 schools.

St. Mary's School

St. Mary's School of Medford, Oregon has been a KL School since 2012, when headmaster Frank Phillips joined with the KL team to found the first St. Mary's branch campus in Shanghai, China. Our partnership has gone on to establish six additional St. Mary's branch campuses in the Chinese cities of Pinghu, Shunde, Wuhan, Guiyang, Zhengzhou, and Haimen, serving hundreds of students in grades 1-12. Graduates of the St. Mary's branch campuses have been accepted to some of the United States' finest research universities, including Emory University, Wake Forest University, Boston University, the University of Illinois at Urbana-Champaign, Northeastern University, the University of Southern California, and the University of Washington, among many others.
